# SALTO Danalock V3

**\$98**

## Automatic Unlock

No need to put your groceries down, Danalock V3 detects your arrival and unlocks the door for you.

## Flexible Access Control

Grant access to other users or bridge your Danalock, so you can lock, unlock and monitor it from anywhere.

## Usage Alerts

Know who enters and exits your home. Receive real-time notifications when your smart lock is used.

The Danalock V3 replaces your single cylinder deadbolt with an electronic system that utilizes Bluetooth to allow your smart phone to control your home.

### Features:

- Create keys for your family, friends and home employees using SMS text, email, and more.
- Program keys with time restrictions.
- Get instant notifications of who accesses your door.
- Twist Assist allows even those with reduced mobility to unlock with ease - turn the handle slightly and the door locks or unlocks.
- Easily set-up directly from your smartphone - control your lock with an iPhone or Android app.
- Electronics are housed on the inside of the door, providing protection against vandalism, adverse weather etc.
- Mechanical key override for the event of a forgotten or lost smartphone or no battery power.
