

M1520M Electrified Motor Drive Mortise Lock
M1520M-AE-1-L9070B-RH

ACSI Series 1500 Electric Mortise Locks provide safety and security for stairtower doors or controlled areas where both locking and latching are required. These locks are motor-controlled to allow remote electric locking or unlocking while conforming to life-safety codes.

Features:

- UL Listed
- Simple user selectable fail safe/fail secure operation from outside of the lock body
- Auto-sense 12V or 24V, AC or DC operation
- Low power consumption, ideal for environmentally friendly access control systems
- Non-polarized Leads • Includes 'Request to Exit'
